"Shioka-kun is so cool"

1 - 3
Himari-chan!
Ojama-shimasu~
Nana-chan
Thanks for yesterday!
It was fun wearing yukata
me too!
Ah, that's right, here!

I'm oddly nervous...
キョロ
I missed my chance to return it
Some-how,
Ah, ari-gatou...
Ah, Shioka!
Hayoo-ssu
"Oha-you", you said.
It's already the second period next

I over-slept
A ha ha ha
You're as always, Shioka

I was on the way, wasn't I? I'm sorry!
Ah!
Konni chiwa!
Ah, Konno
Nah...
Or actually, I've been thinking about it, but, why using keigo*?
It looks like I'm ordering you around when you do it, keigo is banned
Ah, I am never using it...
You're using it now, duh
Yes!!
Ah!
Okay!!

*It lost in translation, but Hina-chan always talks so polite when it's to Shioka-kun

Ha
It's the first time
Eh!
You're so simple

I see Shioka-kun's face is like that
Nana-chan
Yuyu...
Yuyu has been...
hesitating whether Yuyu should tell this to Nana-chan or not, but
Yuyu thinks it'll be bad if Nana-chan doesn't know...
Sorry, Yuyu is speaking to you...
.....What is it?

Hima-chan met with Shioka-kun secretly
This...

Did you
secretly took that?
Why are you doing something like this!?
Even if you let me see something like that...
But
Yuyu is wondering what if Nana-chan also likes Shoka-kun

Even though Nana-chan is treasuring Hima-chan,
but if she secretly does things that will hurt Nana-chan,
Yuyu definitely can't let that happens...
Yuyu, she wants to protect Nana-chan!
I don't like Shioka-kun!

!
So, Yuyu is just being worried too much, isn't she?
So relieved...!
Is that so?

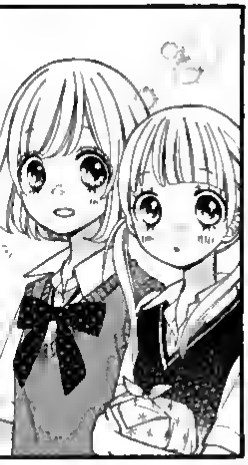
Then, we should support her, right

She is Nana-chan's best friend, after all



It's getting harder to eat outside, isn't it~
It's hot~
Next time, can we eat at Himari-chan's class-room?
Ok

Ah!
Damn it, Shioka is scoring again!
If I score once more, as promised, treat me ice cream, okay
Shioka-kun, he's always with different friends, right
Who the hell was it making a bet like that?
But if we didn't, Shioka wouldn't play seriously~

Himari-chan never talking about Shioka-kun before..
Even though
Ah!
Somehow, he is close to many groups of people, it seems
I see
Shioka, he is unexpectedly cool, isn't he?

He's often skipping too
You're right~

That's not true, right
He is kind

Ng?

"Do you like Shioka-kun?"
Ah

...It's nothing
Just for asking it,

Came here just to cool off

Something this troublesome, I'll never do it if it's me

of those that
seemed easy
Me?
Sometimes,
I ditched the job
ond left it to the
other members
Eeh!

You see,
I never talk about something like this to anyone before..
Yeah...
At the first place,
I'm bad at speaking with boys
I'm able to talk with a boy this much
Shioka-kun is the first

That's why,
I'm not sure it's that or not
But,
no matter what, when I'm with him
